

Titan 06 Specification Sheet

Titan 06 is a flexible marketing unit which can be fully deployed in 60 minutes. The unit takes up limited car parking space but still has a large internal space and the display area. The unit is also low to the ground which makes it perfect for direct marketing. The unit has large external and internal areas for branding .

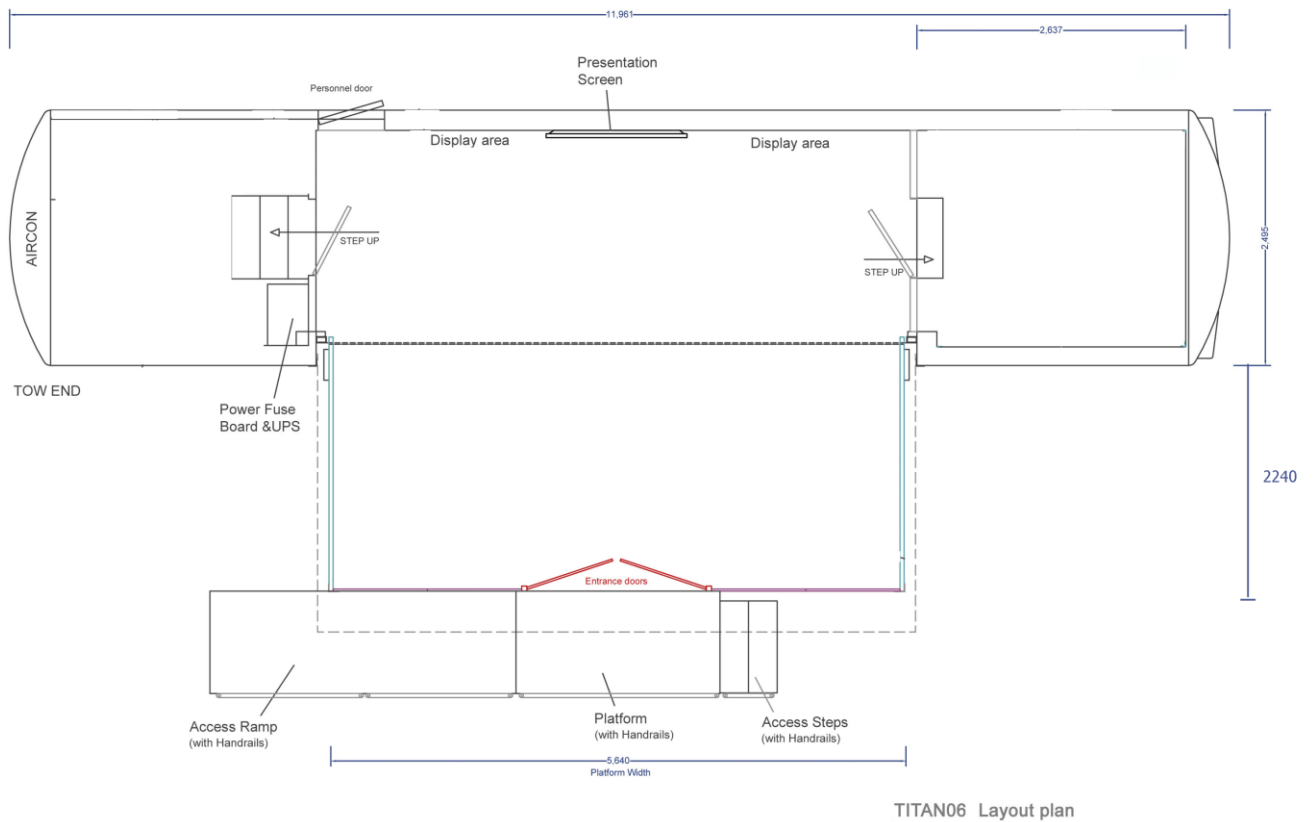

The unit is fully air-conditioned and can be fitted with AV options including live satellite feed.

Vehicle Features

- Hydraulic gullwing
- Glass drop in panels to front
- Disable access
- Air-conditioning
- Open plan and low floor for easy access
- AV and satellite options
- 2 SES Unit Manager and 60 minute set up
- 2 matching units on fleet
