

# Titan 13 Specification Sheet

Titan 13 is a flexible marketing unit which can be fully deployed in 45 minutes. The unit takes up limited car parking space but still has a large internal space and the display area is low to the ground which makes it perfect for training, presentation and direct marketing. The unit has large external and internal areas for branding. The unit is fully air-conditioned and can be fitted with AV options including satellite dish.

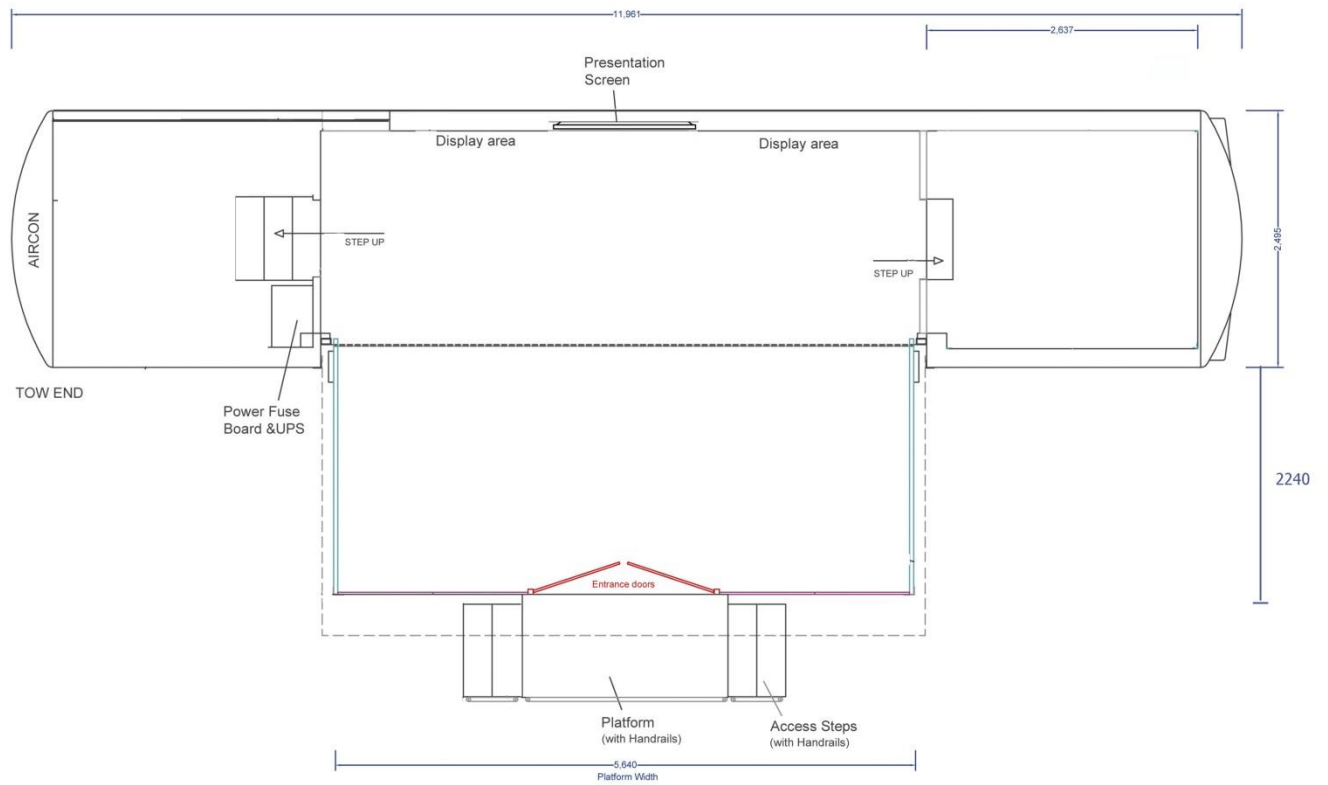

## Vehicle Features

- Hydraulic gullwing
- Glass drop in panels to front
- Air-conditioning
- Open plan and low floor for easy access
- AV and satellite options
- 1 SES Unit Manager and 45 minute set up
- 2 matching units on fleet
