

Titan 60 Specification Sheet

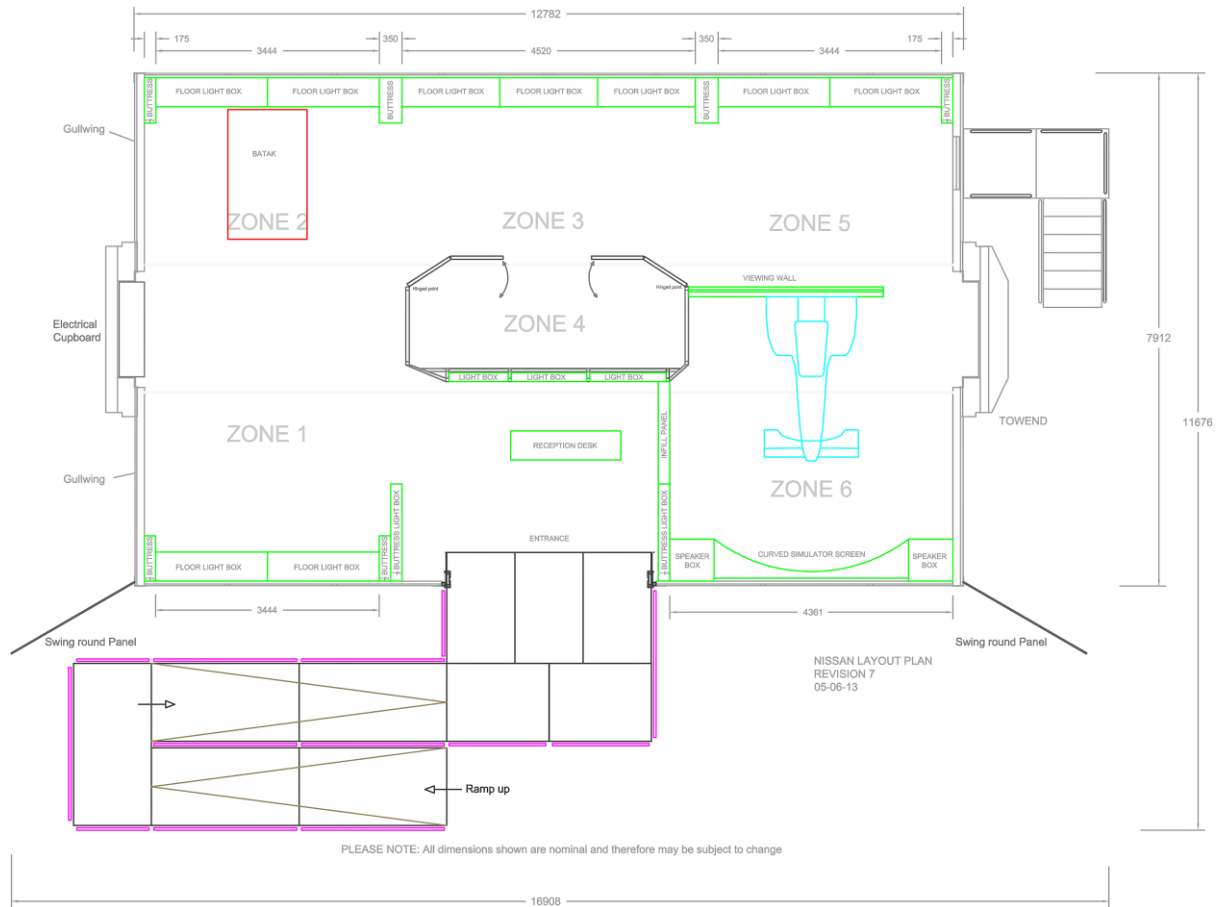

Titan 60 is a 13.6 m full length double gullwing marketing, hospitality, and exhibition trailer. The current layout of the unit is bespoke for Nissan Nismo with reception area and 6 zone areas for product placement and interactive games. The winner of the games has a chance to drive the F1 simulator in Zone 6. This unit is one of the biggest gullwings on the market and lends itself for experiential exhibitions. All areas are fully air-conditioned. The unit can be fully fitted to your requirements as shown for Nismo. The unit can be fully deployed in 1 day.
